

Integrated Intensive Intervention: Academic and Behavioral Support in Tier 3

WHY: Students who require intensive individualized intervention often demonstrate needs in both academic and behavioral domains.

	Academics	Behavior	Integration
Teaming	Academic expertise	Behavioral expertise	Collaborative teaming process
Assessment	Diagnostic assessment and data-based individualization	Functional behavioral assessment (FBA)	Analysis of behavioral and academic assessments in concert
Intervention	Evidence-based academic intervention	Behavior intervention plan (BIP)	Integrated intensive intervention
Implementation	Reading progress monitoring probes	Behavior and intervention fidelity data	Integrated data analysis and DBI plus fidelity monitoring
